

# *Learn360 Video Streaming: Energize Your Curriculum*

*March 14, 2012*

More and more schools nationwide are transitioning to Learn360. Learn360 allows teachers and students to stream and download thousands of engaging and exciting videos, video clips, audio files (MP3), images, vocabulary resources, speeches, newsreels and other digital media for the K-12 classroom. Choose engaging, curriculum-spanning multi-media from the most trusted and award-winning educational content partners such as Weston Woods, Scholastic, PBS, A&E, The History Channel, Encyclopedia Britannica, National Geographic, Arthur, Standard Deviants, and more, plus character education clips from well-known Hollywood movies.

In this session, Tom Bukowski will provide an overview of Learn360 followed by hands-on training. He will also be ready to answer your video streaming questions. Bring a laptop computer if possible.
