

RISE Training for Primary & Secondary Evaluators

The schedule for the RISE Evaluator Training has been solidified! Districts now have three options for the spring session. Additionally, for those who come later to RISE, or for those who prefer, there are two sessions scheduled for summer in our region. Dates, trainers, and locations vary. Please see attached schedule for details. You would register for one specific cohort and remain with that cohort for the duration of the training.

Any person who will be serving as a primary or secondary evaluator and who will utilize the RISE evaluation tool MUST be trained on RISE. Schools modifying RISE must also be trained on RISE.

Audience: Superintendents, Administrators, Primary Evaluators, Secondary Evaluators, Teacher Leaders

Cost: \$250 Members
\$500 Non-Members

Register online at: <http://www.siec.k12.in.us/workshops/>
